**The meeting points are set up to enable us to mix up the rides so that rides from every meeting point can reach more of the best roads in Middle Tennessee. The schedule alternates sites to accomodate all of the riders in our chapter at some time or another. It is our intention to make riding opportunities available to every member of our chapter. Every member is encouraged to suggest ride destinations. This does not mean that the member suggesting the ride has to lead if they are not comfortable doing so.**

### **Ride Cancellation Policy**

**We follow the 50/50 rule for riding. If the temp is above 50 degrees and there is less than a 50% chance of rain the ride will go on.**

**We have other oppourtunities to get together when Local Bike Shops and other Clubs and Organizations hold special events.**

**Please Visit our Chapter Calendar of Events Page for Detailed information about Chapter Rides, SCRC Club Events and Major Motorcycle events in the Country.**
